Refined

With its sophisticated aesthetics and practical functionality, this cordless table lamp complements the upscale decor of hotels and restaurants while offering an unforgettable and immersive lighting experience.

Illuminate your hospitality spaces with this extraordinary cordless table lamp, combining modern design with seamless functionality, to leave a lasting impression on your guests and patrons.

The Elegance Collection

04

The Elegance Lamp is a stunning and contemporary table lamp that brings an air of sophistication and tranquility to any space. Its stylish and timeless design sets the stage for a luxurious ambiance, making it an ideal addition to hotel restaurants or bars.

Black

Gold

Silver

Refinement

Transform your hotel restaurant or bar with our Elegance Lamp, adding a touch of sophistication to your space. Beyond its practical illumination, this lamp is a refined design statement, elevating your interior with warmth and style. Whether enhancing the ambiance of your dining area, providing cozy lighting for reading corners, or illuminating your bar, it effortlessly combines aesthetic charm with functionality.

The lamp is crafted from a refined alloy, featuring a brushed aluminum exterior finish. With a gentle touch, the Elegance Lamp seamlessly transitions between three light temperature settings, allowing you to effortlessly create the harmonious ambiance you desire.

The Turn Plus Collection

05

The Turn Plus Collection Lamp seamlessly combines an aluminum cage with a cylindrical crystal lamp, achieving a harmonious blend of durability and exquisite craftsmanship. Its pure aesthetic and reassuringly solid feel make it a versatile addition. Equipped with a touch sensor, it adds functionality to cater to a variety of needs.

Versatile

- Introducing TURN+ Lamp – a modern portable light that blends jeweler craftsmanship with advanced optics. It seamlessly combines cutting-edge lighting technology, meticulous handcrafting, premium materials, and a touch of nostalgia.
- With an integrated touch sensor and two types of LEDs, TURN+ allows easy light adjustment from a cozy glow to a vibrant setting, providing serene illumination for various occasions.

Light serves as a vibrant symbol of vitality and hope, and TURN+ aspires to be the lamp by your side, accompanying you through all the emotions and moments in life. A lamp that illuminates with a gentle touch, creating a powerful sensory and emotional connection.

06

The Hymn Collection

Drawing inspiration from classic antique designs, our lamp seamlessly integrates modern elements, fusing state-of-the-art LED technology with magnetic functionality and a sleek acrylic lens. Perfect for enhancing the ambiance of your hotel restaurant or bar, it adds a touch of sophistication while providing efficient illumination.

Black

Gold

PendulumGlow

Incorporating contemporary features while preserving its poetic charm, our lamp, reminiscent of a classic chamberstick, creates an enchanting ambiance in your hotel restaurant.

The LumiFlex Collection

07

The LumiFlex Table Lamp is a sleek and modern addition, perfect for enhancing the ambiance of hotels, restaurants, bars, and coffee shops. Its contemporary design seamlessly blends with any décor, offering adjustable lighting to create the ideal atmosphere for any setting.

Introducing the Stellar Cordless Table Lamp, a sleek addition to elevate the ambiance of your hotel restaurant or bar. With its sophisticated and contemporary design, it seamlessly complements any decor style, enhancing the overall atmosphere for your guests.

10

The Bella Collection

Elevate your hotel restaurant or bar with our meticulously crafted lighting. Each piece seamlessly blends timeless craftsmanship with modern elegance, resulting in a truly unique ambiance. Handcrafted with precision and passion, our lamps are a stunning fusion of traditional artistry and contemporary design, providing a captivating visual experience for your guests.

Artisanal Illumination

In our hotel restaurant, experience the fusion of timeless artisanal craftsmanship and contemporary elegance with our exquisite lighting. Each handcrafted lamp combines traditional artistry with modern design, creating a captivating ambiance that elevates your dining experience.

11

The Pina Collection

Elevate your hotel restaurant or bar with our sleek rechargeable lamp, boasting a distinctive contemporary design crafted from premium aluminum and acrylic materials.

Elegant Illumination

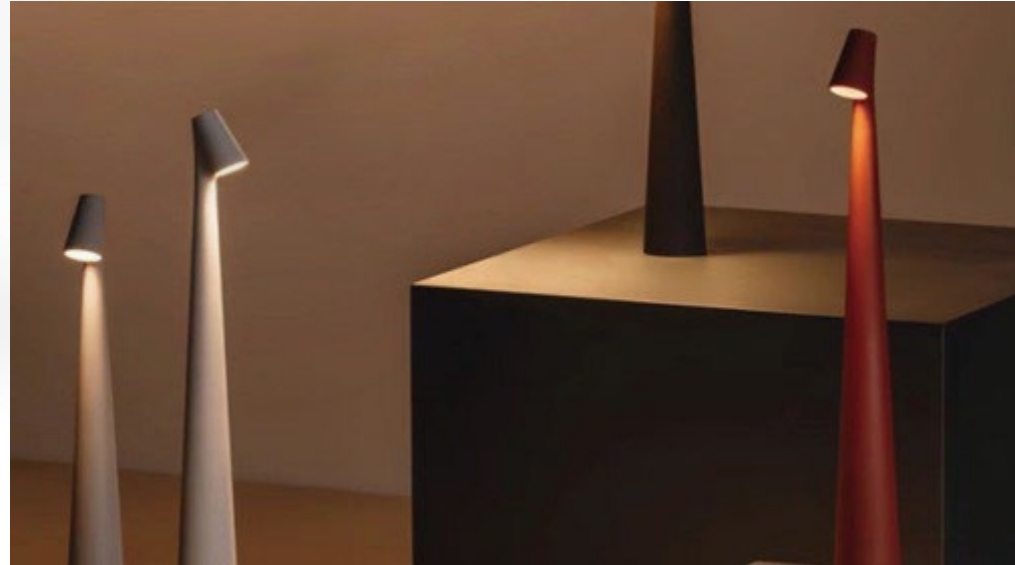

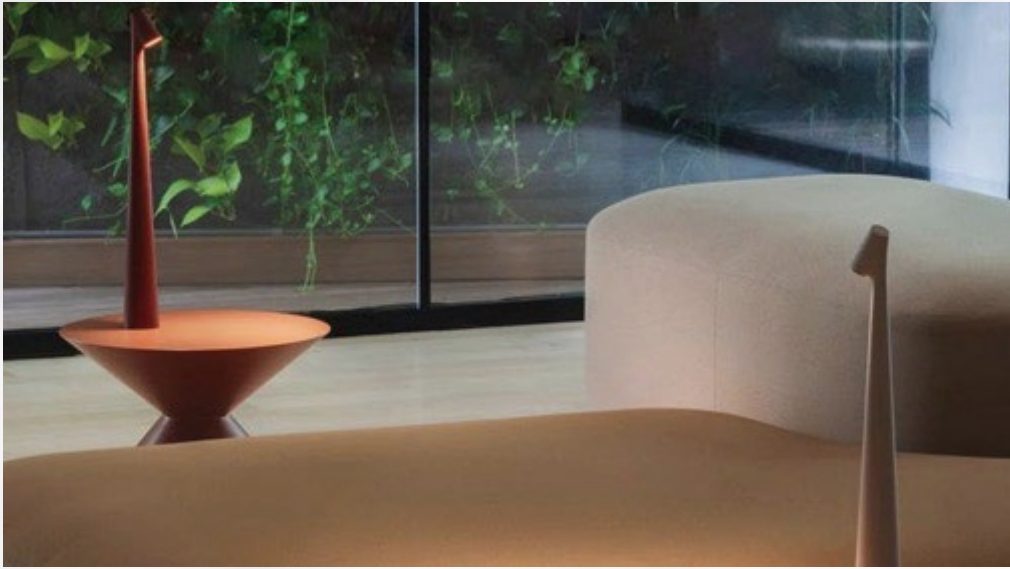

Perfectly suited for dining tables, restaurants, and cafes, the Pina cordless lamp comes in three refined color options: black, silver, and gold. Whether you're arranging a dinner gathering or creating a romantic atmosphere, this lamp is the epitome of sophistication, elevating the ambiance of your space effortlessly.

The Aman Collection

12

Illuminate your dining or bar area with the versatile Studio Pin Light Dimming Lamp. Emitting a spectrum of vibrant colors, this modern fixture breathes life into your space. With fully adjustable settings, including dimming functionality, you have complete control to tailor the perfect ambiance for any occasion, letting your creativity flourish.

Designed with meticulous attention to detail, our lamp showcases a sleek minimalist metal frame that exudes modern elegance. Its clean lines and unembellished design effortlessly complement a variety of decor styles, making it an ideal addition to your hotel restaurant or bar.

13

The FlowerPot Collection

Designed by Verner Panton in 1968, was inspired by the hippie movement, showcasing bright colors. The iconic lamp features two semi-circular spheres facing each other, exhibiting its timeless design.
